No: 5-10/2021-TC/TEC

Dated: 07.09.2021

Office Memorandum

Subject: Revision of Labelling guidelines in MTCTE Procedure

The Labelling Guidelines with reference to TEC Certification Label notified vide MTCTE Procedure No. TEC 93009:2021 released in May 2021, have now been revised as below:

Clause 9.1 (iii)

“Relevant TEC certification label (India, Certificate No., TEC Logo and address of MTCTE Portal of TEC)”.

Clause 4.0 of Annexure – D:

“The ‘TEC certification e-label / physical label’ consists of the Name of Country “INDIA”, Certificate No., TEC Logo and the address of MTCTE Portal of TEC as given in following figure:

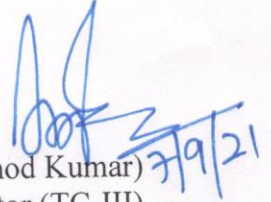

<https://www.mtcte.tec.gov.in>

In case sufficient space on parts, items or product is not available for marking labelling information, at least Country Name (‘India’) and TEC Logo to be marked and rest of the information w.r.t. above shall be provided in the form of machine-readable i.e. two dimensional code (QR code etc.).”

2. Further, the relaxation/exemption period for enforcement of labelling guidelines notified vide MTCTE Procedure (Ver 2.1 Rel. May 2021) on certified telecom / related ICT products issued vide Office Memorandum No. 5-3/2021-TC/TEC dated 17.05.2021 is revised from 30.11.2021 to 31.05.2022. Therefore, it shall be mandatory to comply with the revised labelling guidelines from 01.06.2022 onwards.

This issues with the approval of Competent Authority.
